

DORIS KAO

Brand visual designer

ABOUT ME

Taipei, Taiwan

hi.doriskao@gmail.com

dhosruiasn.github.io/portfolio/

With nearly five years of experience in brand and visual design, I worked at Shopee Taiwan across digital campaigns, brand collaborations, IP merchandise, and large-scale offline events. I translate brand concepts into adaptable visual systems and have expanded my practice into UI, interaction, motion, and AI-assisted web implementation.

MY APPROACH

Systems thinking

Visual clarity

Cross-team collaboration

Experimentation

MY SKILLS

Brand identity & visual systems

Visual concept & art direction

Digital campaign design

Cross-media brand applications

UI & interaction design

Motion design & digital experience

Design system thinking

AI-assisted front-end implementation

EXPERIENCE & SELECTED WORK

Graphic Designer

Shopee Taiwan | 2022.08 - 2026.06

Designed brand, e-commerce, social, and motion assets across brand collaborations, IP merchandise, large-scale offline events, and nationwide retail touchpoints. Also created AI-assisted internal workflow tools.

Design Intern

Shopee Taiwan | 2021.10 - 2022.08

Supported e-commerce campaigns and brand asset production while building experience in version adaptation, timeline management, and cross-team collaboration.

SELECTED PROJECTS

Pickmin Postcards

A multilingual postcard collection web app covering visual systems, UI, interaction, motion, and front-end implementation.

UI Tweaker

A visual adjustment tool and interactive landing page designed for AI-assisted development workflows.

GOOGOOlii

An illustrated IP e-commerce experience combining brand strategy, drag-to-cart interaction, motion, and 3D checkout.

EDUCATION

Ming Chuan University

B.Des. in Product Design | 2018.09 - 2022.06

PROFESSIONAL DEVELOPMENT

Self-directed practice | 2025 - Present

UI systems, motion, React, and AI-assisted development
